Re: ***Iowa Network Access Division Tariff F.C.C. No. 1, WC Docket No. 18-60,***
Transmittal No. 38

Dear Ms. Dortch:

AT&T Services, Inc. (“AT&T”) provides this ex parte submission in response to the February 4, 2019 ex parte submission made by Iowa Network Services, Inc., d/b/a Aureon Network Services (“Aureon”), and in response to issues raised during AT&T’s meeting with Commission staff on February 5, 2019. AT&T’s submission contains Confidential Information regarding Aureon’s fiber rings and switching expense in the form of a supplemental declaration from Brian F. Pitkin, which is covered by the Commission’s March 26, 2018 Protective Order. Because that declaration contains Confidential Information, it has been removed from this **Public Version** of AT&T’s ex parte submission.

AT&T is filing by hand with the Secretary’s office one hard copy of the **Confidential Version** of this submission. In addition, copies of all versions of the submission are being served electronically on Aureon’s counsel. Two copies are also being provided to Joseph Price at the Wireline Competition Bureau.

Please contact me if you have any questions regarding this matter.

Sincerely,

/s/ James F. Bendernagel, Jr.
